

God's Word is written in two parts so no one who honestly examines the evidence can claim the Bible is a man-made conspiracy!

LEARNING FROM HISTORY

The Church was born in the 1st century and headed west from Jerusalem. For hundreds of years the blessings of God followed the Gospel wherever it was embraced. But, in 350 the newly formed "Holy Roman Empire" hid the Bible in Latin making it illegal to own or translate into modern languages. "Coincidentally" the world entered "The Dark Ages," where it remained for a thousand years! Then in the 14th century, God's Word was translated into English, and "coincidentally" the world entered "The Age of Enlightenment!" The great reformation of the church was followed by the "Industrial Age" which produced the greatest advances in science, medicine, communications, transportation, economic, and spiritual growth the world has ever seen!

Sadly, sometime around the turn of the 19th century, liberal theologians in many mainline, denominational seminaries began to teach the Bible out of context. An epidemic of biblical illiteracy followed, and power was lost once again. Today, the "Post Modern Age," denies absolute truth and universal moral law. Ironically, all of this actually serves to vindicate Scripture (Matt. 24:12, 1 Tim. 4:1, 2 Tim. 4:3-4, 2 Cor. 11:13-15).

OUR MISSION

The best research reveals only 3% of Christians ever share their faith. Our mission is to equip the Saints for the work of the ministry. Our method is ordained by God, and consists of three arguments so compelling, Jesus said if they won't believe this, neither would they believe if someone were to rise from the dead! Prayer and the ministry of the Word is still the key to unlocking all the treasures of wisdom and knowledge hidden in the pages of Scripture, and to living the abundant life Jesus speaks of.

Charles Spurgeon on bringing in guest speakers...

"To call in another brother every now and then to take the lead in evangelistic services will be found very wise and useful for there are some fish that never will be taken in your net, but will surely fall to the lot of another fisherman. Fresh voices penetrate where the accustomed sound has lost effect, and they tend also to beget a deeper interest in those already attentive. Sound and prudent evangelists may lend help even to the most efficient pastor, and gather in fruit he has failed to reach; at any rate it makes a break in the continuity of ordinary services, and renders them less likely to become monotonous. Never suffer jealousy to hinder you in this. Procure the services of some eminent soul-winner ...and this may in God's hands bring you brighter days!"

"That was the clearest and most direct presentation of the Gospel I have ever heard. I doubt there was a hard heart left in the room. You need to get this published so the whole world can read it!"

—Professor Todd Wendorff

"You had the highest rating of any seminar speaker we have ever had!"

—Scott Gulkie, Districts Youth Conference, Greey Bay, WI

A MINISTRY FOR THOSE WHO
HUNGER FOR MORE OF GOD

We have won Atheists, Muslims, Chicago street-gang members, Jehovah's Witnesses, Nazis, and others to the Lord by sharing the Gospel in its Literal, Historical, and Theological context!

The very first verse in the New Testament says, "This is the genealogy of Jesus Christ, the Son of David, the Son of Abraham."

To the uninitiated, Matthew 1:1 appears boring and irrelevant. But, when seen in light of the promise God made to Abraham 2,000 years earlier (Genesis 12), this verse explodes with excitement! It says in effect: God always keeps His promises and the Bible is one book. And, that's just the first verse!

What made the first century church willing to be burned at the stake, boiled in oil, fed to the lions, and be crucified rather than deny Christ?

THE GOSPEL OF CHRIST IS THE POWER OF GOD!

When the Roman Empire ruled the world with an iron fist, they won all their arguments by killing their enemies. Rome used all of its political power and military might to try and stop Christianity from spreading. Meanwhile, the Apostles dedicated themselves to prayer and to the ministry of the Word. Armed with the Gospel, inflamed by the love of Christ, empowered by the Spirit of God, and undaunted by the power of Rome, they turned the world upside down! God has not changed, and the power of His Word has never diminished. So, what are we missing?

"You really knocked 'em dead when you spoke at Moody!"

—Dr. Joseph Stowell, President, Cornerstone University

"Philip DelRe has excelled in bringing together powerful thoughts on a most important theme."

—Ray Comfort, Producer of the award winning TV show, *The Way of the Master* starring Kirk Cameron.

"It's a terrific message—and I can understand listening to it why it had such power. You're quite right in saying it's nothing more than the word of God, but you, of course, presented it very effectively and made the case very powerfully."

—The late Charles Colson, Founder —Prison Fellowship

"Phil's message on the fear of man is a clarion call for the church to wake up."

—Dr. David Larsen, Professor of Preaching Emeritus at Trinity Evangelical Divinity School.

"I have been attending seminars for over 40 years, and yours was the greatest presentation I have ever heard."

—Pastor, *Beyond Amsterdam 2000*, sponsored by the Billy Graham Evangelistic Association.

"My son and I attended the Iron Sharpens Iron men's conference in O'Fallon, Illinois where we attended a seminar by Philip DelRe. As a pastor, I was leading a group of men to the conference, but my real concern was my 18 year old son who has had some tough challenges in the past year. He has wavered in his faith—questioning what and why he believed. This also spilled over into some poor choices and bad relationships in his life. The seminar by Phil was exactly what my son needed! Phil's dynamic personality and engaging presentation of the Gospel totally connected with my son. He laughed, took notes, and was challenged that the Christian faith was intellectually credible in the secular arena of life. He loved the seminar by Phil. Since that time, there has been a dramatic change in his life. Unhealthy relationships have been severed and he has a renewed joy and commitment for Christ. I thank God for this timely and sovereign appointment and the ministry of Phil DelRe."

—Pastor Tim
